**QUOTES FROM 11 YEAR  
OLDS' SCIENCE EXAMS:**

"Water is composed of two gins, Oxygen and Hydrogin. Oxygen is pure gin. Hydrogin is gin and water."

"Artificial insemination is when the farmer does it to the cow instead of the bull."

"When you breathe, you inspire. When you do not breathe, you expire."

"H2O is hot water, and CO2 is cold water."

"Three kinds of blood vessels are arteries, vanes, and caterpillars."

"Dew is formed on leaves when the sun shines down on them and makes them perspire."

"Mushrooms always grow in damp places and so they look like umbrellas."

"The body consists of three parts - the brainium, the borax and the abominable cavity. The brainium contains the brain, the borax contains the heart and lungs, and the abominable cavity contains the bowels, of which there are five - a, e, i, o and u."

"Rhubarb: a kind of celery gone bloodshot."

"Vacuum: A large, empty space where the pope lives."

"For drowning: climb on top of the person and move up and down to make Artificial Perspiration."

"For Fainting: Rub the person's chest or, if a lady, rub her arm above the hand instead. Or put the head between the knees of the nearest medical doctor."

"The alimentary canal is located in the northern part of Indiana."

"The tides are a fight between the Earth and Moon. All water tends towards the moon, because there is no water in the moon, and nature abhors a vacuum. I forget where the sun joins in this fight."

"Equator: A managerie lion running around the Earth through Africa."

"Germinate: To become a naturalized German."

"To prevent contraception: wear a condominium."

"To keep milk from turning sour: keep it in the cow."

# Y's CRACK

THE OFFICIAL BULLETIN OF  
Y's MEN's CLUB, Y's MENETTE's  
CLUB & Y's LING'S CLUB OF  
ANNA NAGAR

## FROM THE EDITOR'S DESK .....

You may not find time to read this dull editorial, when the newspapers are full of hot news on local politicians and Clinton episode.

I was thrilled to receive a note from our beloved RD which reads as follows: "Congratulations for the excellent editorial, which has a touch of humour. I really enjoyed reading it". Thanks to RD for the encouraging remarks. A jolly-good Y's man conveyed his appreciation over the telephone, as soon as he received the Y's Crack by post.

My aim is to publish the Y's Crack before the fourth Saturday, when we have the club meeting. Unfortunately my lethargy overrides my intention.

## NEWS

### Regional

RS has pointed out that the names of two top leaders of Y'sm dom were inadvertently omitted in the list of Regional Officers 1998-99. This is being included in the last page which will be reprinted. Your editor's address & telephone number are four year old. Old errors were being continued. Ysm Mohan Punnen, past LRD has the same "six digit" telephone number for both residence and office in this list.

8 clubs, including our club, had paid the Regional dues for both semesters before 31.07.98. Gobi club was the first to pay. 5 clubs from NW District and 2 clubs from Madras made the tally. The proposed Regional Council Meeting on 13.09.98 at Courtallam has been postponed at the request of DG-NW District as it clashed with their Onam celebrations. The new date will be advised in consultation with DG-SC District. It is presumed that RD will ensure that the new date does not clash with Dassera Celebrations of NW District. So, make fresh preparations for the oil massage and bath under the falls.

Ysm Dr. Jupiter Moonamalle and his wife Dr. Mrs Soma Moonamalle from Sri Lanka are expected as BF delegates by end of August 98. Y'sm Keld Moller Pedersen and his wife Mrs Ida Norholm Pederson from Denmark are expected to reach Chennai on 07.10.98 as BF delegates.

### District

Y'sm R Kanniah, our beloved DG, had promised that every Y's Man, Menette & Ling from Madras District will be supplied a Lapel Pin in due course. Y'sm R Kanniah attended our club meeting on 22/08/98 and gave the Lapel pins. Thanks to DG for his generosity. The Y's Guys can now impose a "higher penalty" on those who do not wear a lapel pin.

Your bulletin editor attended the Ambattur Estate, Kodambakkam and Mylapore Club's induction and installation functions. A few fellow Y's men from our club were also present.

### Club

Ysm K Jacob (Roy) hosted the Board meeting at his residence on 15.08.98 followed by fellowship and sumptuous dinner. Picnic arrangement to Mathikere (Kodagu Dt.) was discussed in detail.

Uncle Easow & Ponnamma Auntie were dropped at Long Island in New York by Mohan. While Mohan returned within a week, the "Young" couple are expected back by September end.

The Menettes visited the leprosy center at Shenoy Nagar and gave old dresses, medicines and snacks. They also helped them to organise a leprosy detection camp in a school.

Menettes club arranged a get-together at the residence of Ymte Geetha Punnen on 17.08.98. A recipe contest using Milkmaid was arranged with Nestle's participation. "Anna Nagar Times" gave wide publicity for this contest, which was attended by outsiders also.

## Recipe contest on Aug. 17 By Our Staff Reporter

A recipe contest with Milkmaid as the main ingredient will be held by Anna Nagar Y's Menet's Culb at 4 p.m on Aug.17 at P 44 (behind K4 Police Station).

Participants may prepare the items at home and bring them to the venue.

The club meeting was held on 22.08.98 at Kilpauk YMCA. The guest speaker Mr P R Chandra Mohanan, an expert on HRD spoke on "Art of listening - emphasis on listening to children". Those present really listened to the speaker with attention. As usual, the dinner prepared by the Menettes was greatly relished and appreciated.
